RE: Standard Chlorine of Delaware, Inc. - RI/FS

Dear Ms. Wehner:

Enclosed please find a revised copy of the RI/FS which reflects changes in field activities, some of which were requested by DNREC and/or U.S. EPA. Because the overall project completion date has not changed and some of the changes have been at the request of one of the regulatory agencies, your prompt and favorable approval is anticipated.

Please feel free to contact me if there are any questions regarding the schedules.

Sincerely,

Robert J. Touhey, P.E.
